Winfield State School Snapshot Report

Under the agreement for 2014
Winfield State School received

Our full 2014 agreement can be found here: Winfield State School Great results Guarantee

Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Embedded Marzano’s ‘Art and Science of Teaching’ framework to ensure high quality teaching focused on the achievement of every student.
- Developed and implemented a NAPLAN Action Plan to prepare students for the 2014 NAPLAN. All students reached the national minimum standard. All students currently in Year 3 at Winfield State School are in the upper two bands.
- Frequently monitored students using a range of data to tailor learning, target resources and inform differentiation.
- Accessed online learning programs for all students such as Acer Online Testing, Mathletics, Literacy planet, Lexile and reading Eggs.
- Engaged in quality professional development and professional sharing through best practice meetings that supported whole-school pedagogical practice for teaching, monitoring, differentiating, moderating and assessing.
